SDOT Proposal for the Bruckner-Sheridan Interchange
New multi-level highway ramps would create more barriers between the community and...
The Community Alternative – everybody wins! more waterfront parkland, and better truck access to Hunts Point

- Converting the Sheridan to a park will connect new and existing parks on the Bronx River
- Pedestrians get a much safer crossing to the Hunts Point Avenue subway station
- Truckers get direct access from Bruckner Expressway via new Leggett Avenue Ramp
- Elevating the Bruckner Express lanes makes room for bike/pedestrian lanes and greening at the surface level
- Starlight Park renovation, River House, and new greenway bridges
- New Cement Plant Park
